Important additional information:

- Backpacks: must be maintained clean and neat with only what is essential (green folder, planner, lunchbox, snack, water bottle, and depending on the weather a sweater/jacket daily)
- A green rain suit will be assigned to your child at the beginning of the year. It will be placed
 in your child's crate for storage. When used, wash and return the next school day.
 Note: ALL rain suits are VOG property.
- Food: Keep in mind that we are a Peanut Free School. Also, sending special treats (candy) and desserts can make it difficult for children to eat healthy food and puts staff in a position of having to negotiate with children. Please save special treats for home.
 - Include appropriate cooling packs in your child's lunch. A microwave is available, but we ask that you limit microwave use for the sake of time.
 - We will use the fridge for science experiments and staff lunch.
 - A.M. Snack Time: Send one hearty morning snack for your child to enjoy. (no yogurt/dairy liquids please)
 - P.M. Snack Time: If your child stays after 4 p.m. send one light snack for your child to enjoy during after-school-care such as nuts, dried fruit, fruit, veggies, bars, muffins etc.
